## **PRESIDENT'S MESSAGE**

July is bringing a full blown collection of events around the Club: golf tournaments, sailing classes and races, Bocce playoffs, special dinners, and many other activities. Our newly completed Patio enhancement has brought a new look and a much better platform to serve our members. Some minor details remain, but we are up and operating. We are adding some flower planters to brighten the neighborhood.

Our long time Greens and Grounds Superintendent, Matt Krukiel, will be leaving us in July to start a new career in sales of fertilizers, seed and associated turf products. Many thanks to Matt for his dedication and effort through his many seasons working to improve our golf experience and support the goals of the club. We wish Matt and his family well as they begin their new journey.

A search for a new Superintendent is currently underway, and we are working diligently to use all the resources available to do a thorough and efficient search process. Frank Ennis, our Vice President, is leading the committee to identify candidates for consideration. We will keep the membership informed as progress occurs.

We have recently held an Open House event in early June to share information about membership and introduce our club to interested community members. We are an important cog in community activities and our continued engagement is important. Some have asked, "don't we have enough members?". Our current membership is over 700, and we continuously evaluate the usage of various club venues. We also have members leave the Club annually for various reasons. We are acutely aware of economic trends and the potential impact on our Club and membership trends. Rest assured, your Board and Membership Committee are working to balance all factors of membership enjoyment.

Thank you for your input and engagement in Club activities. You make our Club experience special.

Cheers!

*Mark Kamon, President*

**TREASURER'S REPORT**

Our financial status at the end of May was encouraging, but also illustrated how inflation is affecting the House's ability to keep our member's food costs affordable without putting too much burden on the Club's bottom line. Our year-to-date position continues to be strong.

As I mentioned last month, our review of our budget and forecast presents the finance committee with many challenges, chief among them the concerns we all have over inflation and how that may affect our membership. With that in mind, it was especially encouraging to welcome sixteen new memberships to the Club this past month. It seems that many people who have a chance to see what we have to offer continue to recognize what a true gem we have in our quiet little corner of the Eastern Shore.

And speaking of gems, I want to again acknowledge what a wonderful job Matt and his crew have done on our golf course. Long time members will readily suggest that we have never seen the course in better shape. We will miss Matt greatly, but offer him the best of luck in his future endeavors.

By way of a reminder, the latest financials are always available on the website.

Respectfully submitted,

*Jim Landskroener, Treasurer*

## FROM THE MANAGER

Things are busy at the Club. Every day, I hear a lot of splashing at the pool. It is a very fun time for all of the children and grandchildren. Maggie and her staff have lots of fun things for everyone to do. The golf course is never without players, and Dan and Chris are very busy. The Dock Bar is buzzing, and our yachters are out on the river. Everyone loves summer!

July 4th is a Monday this year. We will have lunch at the Club and the Dock Bar available, followed by a July 4th Dinner Buffet from 4 pm until 7 pm. That should give you enough time to go to fireworks after dinner. The Yachting Committee is having a boat parade and Golf is holding a Flag Tournament. The pool water should be warm, and the cabana kids have plenty of ice cream and smoothies to keep you cool.

July also marks the halfway point of summer, so get out to the Club and get busy!

Pray for our troops who keep us safe. See you at the Club because "your friends are already here".

- Jerren Wetterau, Clubhouse Manager

We will be electing four of the twelve Directors at the Annual Stockholders meeting being held November 15th, 2022. The positions are for three year terms.

Any member, in good standing wishing to be nominated by this committee must make their intent known to me by September 30th, 2022. A member may still run for office by obtaining ten members signatures and posting on the board by Oct. 10th, 2022.

## COMMODORE'S CORNER

**Important News for Kayakers:** We have run out of space for waterfront storage of canoes & kayaks. Many unidentified craft, have turned up at the waterfront — too many for the space available. To regain control of the situation, we have begun to assess an annual fee for storing canoes & kayaks at the waterfront. All known owners will be notified of the new fee to enable each to choose where/how to store their watercraft. As always, unidentified craft will, after 18 months, be considered Club property. In sum, all trailers, canoes, and kayaks must be identified with CRYCC stickers, available at the Pro Shop.

**Sail with us!** Fleet Captain Hanson Robbins and friends evaluate the weather and signal opportunities for Wednesday scrimmages and Saturday races, plus special events as ideas arise. If you would like to be included in this process, just let me know. Join us for the 4th of July Sail/Paddle/Power-Patriotic Full Dress Boat Parade, departing the dock 1100 Monday, with dock bar open for awards and celebration. The complete schedule of CRYCC waterfront activities is posted on the club web site at: <https://www.crycc.org/Club%20Info/Yachting%20Information>.

Corsica River YC and CRYCC sponsor **Chesapeake Log Canoe races on the lower Chester Saturday & Sunday 16-17 July**. Come see this absolutely unique Bay tradition.

Waterfront Trailer Parking. All boaters are requested to show courtesy by allowing space for others to use the ramp and boat lift. Please follow the directions on the signage, and park your rig so as not to interfere with other members' vehicles or boats. Please remember to re-lock the ramp gate when you depart.

Canoes, kayaks and paddleboards are available free for all club members. The craft you see stored at the waterfront are there for you. We have only a few paddles, and I prefer to bring my own, just as I also wear my own life jacket. Owners not wishing to volunteer their equipment for all members' use may simply padlock their boat. If it's not locked, feel free to use the craft, and be so kind as to clean and replace the kayak/canoe/paddleboard when you finish.

Would you like to learn to sail? Simply contact me or any member of our Bridge, to arrange for group or individual lessons or refresher sessions. Club Sunfish and Lasers are available for members checked out by our instructors.

The next Yachting Committee meeting will be at 1730 (three bells), Tuesday, 12 July. Anyone interested in waterfront fun—sail, power, or manual—are welcome to meet and be heard. Not getting our email notices? Send me your email address.

Fair Winds,

## FROM THE PRO - DAN PHILIPPON, PGA

We've had a great golf season so far with rounds ahead of 2021, which was a banner year with nearly 19,000 rounds played! With great course conditions and hopefully cooperative weather, I'm confident we can surpass that mark this season! One of the ways we can do this is to sign up for our tournaments. We have a varied schedule of fun and competitive events from Mixed Twilight's to Club Championships to suit all levels of play. To learn about these events, go to [www.crycc.org](http://www.crycc.org) and under the Club Info tab click on Golf Events.

Junior Golf has started and we're looking forward to helping your juniors learn this great game! Clinics for children ages 10+ and 6 to 9 are held each week on Tuesdays, Wednesdays and Thursdays until mid-August. All you have to do is contact the Golf Shop at 410-778-3818 x3 to register.

More play on the course is great, but it means more wear and tear as well. Please remember to take care of your golf course by fixing your ball marks on greens, replace your divot or repair it with the sand provided, remove tees from tee areas, and rake smooth your footprints and club mark in sand bunkers. Also, when using a golf cart, please follow the cart rules that are posted in each cart. Every little bit helps to keep your course in top condition!

- Dan Philippon, PGA, Head Golf Professional

## FROM THE SUPERINTENDENT

June has been relatively dry, but the course has held up well. We had three days in June that the air was dry and the wind was blowing roughly 20 mph. In the scenario, the course was losing an inch of water out of the ground. The Mid-Atlantic is a crazy place to grow grass!

Greens, tees, and fairways have all been fertilized and growing well. The driving range is in full swing and getting lots of use. Mondays the range is mats only, this is to allow us to mow the entire range and clean and fill all of the divots from the week. With the increase in play, we are seeing a lot of ball marks on the greens, please take the time to fix your ball marks and fill your divots. Hopefully Mother Nature is good to us this summer!

This will be my last newsletter submission for CRYCC, and I wanted to say thank you to all of the members, staff and board for a great 20 years. My family and I are very grateful for the opportunity, and CRYCC will be greatly missed. I have had the opportunity to meet a lot of great people and make some great friends. Chester River has great potential, and I wish the club nothing but great success in the future.

Thank you,

- Matt Krukiel, Golf Course Superintendent

## 18 HOLE LADIES

*Golf appeals to the child in all of us. This is proven by our frequent inability to count past the number 5.*

Sitting at home this Thursday watching the rain makes me sad to think how many of our Thursdays have been affected by bad weather. But, we've had a great year despite it. For example, last Thursday we had a fabulous, hugely successful **Chester River Challenge & Beach Party** tournament involving lots of our members and lots of teams from other clubs on the Shore. Right in the middle, the thunder started, and we had to clear the Course. The recovery was seamless: players enjoyed hanging out together during the rain before play was resumed, and everyone finished. Many, many thanks to **Karen Smith** and **Phyllis Brown** for putting it all together from a great format to beach chairs in the bunkers and floating sharks in the pond. **See more in Dan's column this month.**

Weekly play has been well attended and fun. On May 26<sup>th</sup> we played the game of Cha Cha Cha for the first time. The format paid off for the team that stayed out of bunkers, putted well and made pars. The team of **Karen Smith, Sheila Austrian** and **Sue Davis** won.

The following Thursday **Karen Biggs** took honors by getting the best net score on the five easiest holes.

And on June 9<sup>th</sup> – another rainy walk-only (wade-only?) day when just 5 players braved playing – **Genie Wootton** beat the field.

On **July 8<sup>th</sup> at 4pm** we are again holding our **Wine, Cheese & Putts** event on the putting green. **All lady golfers** are invited to be hosted by the 18 Holvers, and prizes will be given to those best able to navigate a putting green decorated with a crab and oyster theme. Make your way among cans of Natty Bo and Old Bay, over crab pot lines, etc. **See the ad above** and sign up for lots of fun.

**SUNDAY, JULY 23RD.**  
TEE TIMES BEGIN AT 9AM

Please bring check for \$30 made out to CRH Foundation and \$10 cash for prizes, mulligans, and 50/50. WEAR PINK!

## 9 HOLE LADIES

May 19th the 9 Hole and 18 Hole ladies got together for a step aside scramble. The winning team with a score of 76 was **Marybeth Daucher, Ruth Stolp, and Cheryl Jacobs**. In second place with a score of 77 was **Paddy Tobey, Joan Crowley, and Genie Wootton**.

**Ginger Collier** had a chip-in!

The game on May 25th was Low Gross on the front nine. Congratulations to **Cindy Thorp** and **Ruth Stolp** who tied for the low score! **Anne Kellstrom** and **Barb Noll** tied for low putts, and each of them also had a chip-in.

On June 1st we played skins. Some of us came home with more or fewer quarters, but we all had fun! **Karen Price** had low putts with just 16. **Donna Moloney** and **Pinky Hatfield** each had a chip-in.

Congrats to **Helen Billings, Shirley Gayner, and Paddy Tobey** who had a three-way tie on June 8th, when we played hazards. **Anne Hart** had the lowest putts, while **Sandy Bjork** and **Shirley Gayner** each had chip-ins.

On June 15th we played Low Net on the Back Nine, and **Paddy Tobey** and **Becky Spilich** tied for the low net score. **Karen Price** had the lowest number of putts, and **Pinky Hatfield** had a chip-in on Hole #13.

Five of our members braved bad weather and went to the Blue Heron Invitational June 14th, which unfortunately was rain delayed.

From left to right, **Barb Noll, Fletcher Johnson, Donna Moloney, Sandy Bjork, & Karen Price**.

### LIGHTNING FACTS

- Air in a lightning strike can be heated up to 50,000 degrees Fahrenheit.
- Lightning often strikes outside of heavy rain and may occur as far as 10 miles away from any rainfall.
- Most lightning incidents occur when people are caught outdoors in the summer months during the afternoon and evening between 2:00-6:00 p.m.
- A ground strike can produce somewhere between 100 million to one billion volts of electricity.
- The length of a cloud-to-ground lightning strike can range from two miles to 10.

### What To Do...?

- Seek Shelter Immediately
- Do not stand under tall trees or sit in a golf cart. Do not stand under a lone tree, even a small one.
- You must get away from your cart and away from your golf clubs quickly.
- Stay away from water.
- If you are old-school and have metal spikes on, take them off.
- If stranded in the open, go to a low place such as a ravine or valley, or the lowest spot you can find.

### CYRCC Lightning Policy

- When lightning is within 10 miles, the Golf Staff will sound a horn and ALL golfers MUST clear the golf course and return to the clubhouse.
- Play CANNOT resume until 30 minutes after the last lightning strike within 10 miles.

Two ladies who waited the rain out were able to play 6 holes after 10 am, and have a Barbeque lunch.

**It's never too late to join our group!** Dues are \$20 for the season. Contact Paddy Tobey or Anne Hart for more information.

## MISGA

A message from Chief Chuck:

The time has been approaching, and now is here. I have turned all responsibility and administration for continuing MISGA matches over to Barry Byers. I have enjoyed the interaction of arranging golf events for all participating members as well as guests and will miss the multiple events offered by the CRYCC in addition to golf.

As our Chestertown closing approaches in early July, Betsy & I have submitted our club resignation effective July 1st. All the best to everyone with hopes and wishes for fair weather and enjoyable matches.

I think we were a bit spoiled with the barrage of emails sent out. Yes, it seemed like TMI, but now you'll have to remember your own registrations. We have four "away" in July: Crofton, Hog Neck, Garrison and Wild Quail. Prospect, Garrison & Hog Neck will be visiting us on the 11th.

Our new leader would like to emphasize the use of carpooling. This was typical in the old days when I initially joined MISGA. I guess when gas was so cheap, we didn't see the need. I just enjoyed the nap on the ride home.

The shirts are in. Please pick up ASAP.

It's not too late to join MISGA. There are plenty of mixers left in the season. Any Full member over 50 can join for \$20. Feel free to contact me with any questions or concerns. [Larry.Ortmann@gmail.com](mailto:Larry.Ortmann@gmail.com)
