## **PRESIDENT'S MESSAGE**

September is planning month at CRYCC. All departments are reviewing capital and budget plans and needs for our Club which will result in an annual budget and capital spending plan for 2023. You will hear more about these plans as we approach our annual stockholders meeting held in November.

It is also a great time to take advantage of the late summer and fall events occurring around the Club. In golf, our Fall Classic and JB Open are right around the corner, and sign ups will be occurring for Fall Bocce shortly.

Our pool operation will be enjoying a busy end of season with activities extending through Sept. 11th. On the waterfront, the fall river activities are approaching with river kayaking and sailing a high priority. After numerous attempts and COVID delays, we will be rebuilding our boat ramp during September, thus providing a much-needed improvement to our launching facility.

After a high heat index August season and our usual distressing fairway deterioration, the cooling nights have begun a recovery and course conditions will improve rapidly. Some new approaches will be used on the greens and fairways during the coming growing seasons to help mitigate our summer cycle and improve playing conditions in general. Look for announcements on these as the fall progresses.

In response to the improving facilities and value of club membership, the Board of Directors has approved an increase in our initiation fee effective January 1, 2023. The new initiation fee will be \$3,500, up from \$2,500 during 2022. While we have placed a temporary cap on membership categories at this time, we have nine new members accepted at the August meeting, with a few spaces available at this time.

In the pro shop, Dan is receiving additional new items and your daily golfing needs are always available in the shop. If you need any golf equipment or apparel, ask Dan about his quick available delivery on items not in the shop.

Thanks to all the volunteers who support our club every day. Your input and effort make Chester River Yacht and Country Club a great place to play. Come out and join the fun!

Cheers!

**TREASURER'S REPORT**

Our financial status at the end of July was encouraging; our year-to-date position continues to be strong.

July and August are generally our busiest months, both in terms of revenue and expenses. The July financials bore this out, with monthly sales in the Clubhouse stronger this year than even last year's July. The increase in membership over the past twelve months, and the willingness of the membership to make use of our club's fine facilities, helps greatly with our bottom line, particularly during these challenging inflationary times. We should commend Jerren, Chef Mike and the House committee for running such a tight financial ship. Thank you for continuing to come out and help support your Club.

By way of a reminder, the latest financials are always available on the website.

Respectfully submitted,  
*Jim Landskroener, Treasurer*

**AUGUST BOARD MEETING NOTES**

The Board approved the following motions:

- To purchase a trailer to store the Opti fleet.
- To purchase a HVAC system for the maintenance building.
- To raise the initiation fee to \$3500 effective January 1, 2023. Any applications received before December 31, 2022 that are waitlisted will pay the current initiation fee of \$2500.

## FROM THE MANAGER

Where did the summer go? Why does time speed up when you would rather have it slow down? Back to school, new activities starting and old ones ending.

The Dock Bar will remain open through September, with our end-of-season party on Friday, September 30th. The pool and Cabana will close on September 12th for the season. The cabana workers, Maggie, and the lifeguards have done a great job. I really do hate to see summer come to an end. I didn't even get to the beach yet!

The Blue Grass Buffet on September 5th also marks the end of summer. Yappy Hour returns, as well as Fall Bocce. Bridge, Mahjong, Farkle, and exercise classes continue, with Pilates starting back on Wednesdays in October. Our Dry Creek Vineyards wine dinner, on September 24th, will be a great event, with Chris Stagnitta bringing a few of their 50th anniversary wines for some lucky person to take home.

Our Fall Meet-n-Greet will take place on the patio September 17th at 4pm. Take time to seek out a new member and invite them for a drink at the bar or to attend one of our activities.

Pray for our troops who keep us safe. See you at the Club because "your friends are already here".

- Jerren Wetterau, Clubhouse Manager

### ***It's a wrap!***

*Here's to another successful three weeks of Sailing Instruction for ages eight to adult at the waterfront! Great thanks to our wonderful volunteer instructors who braved the weather and inspired our students on both Optis and Sunfish. All students successfully mastered knots, boat rigging, tacking, jibbing, rules of the water, and made new friends, too.*

*This year's weekly programs were quickly sold out, so watch this newsletter in the Spring for 2023 applications. For those planning now, look towards the last week in June and first 2 weeks of July.*

## COMMODORE'S CORNER

**Stand By for a New Improved Boat Ramp!** For Club members who need to launch and/or retrieve their boat during the construction, we have arranged to use the Chestertown Marina ramp and the charges will go to the Club. Just fill out the information on the Marina form and write "CRYCC" as the payment type.

On Saturday, August 13th, several members cruised six miles downriver for a raft-up just upstream of Camp Pecometh! **Sail with us!** Fleet Captain Hanson Robbins and friends evaluate the weather and signal by email the opportunities for Wednesday afternoon scrimmages and Saturday morning races, plus special events as ideas arise. If you would like to be included in this email process, just let me know. The full schedule is listed on the club web site.

**Mark your Calendars.** Remember when dancing was a contact sport? The Commodore's Cup Buffet & Dance (informal attire) is on for Saturday, 8 October. The Duchess and I love to dance, and welcome you to join us.

**Canoes, kayaks, paddleboards are available free for all club members.** We have singles, doubles, sit in/sit on. The Club's kayaks are stored on racks near the waterfront parking lot and clearly identified with a sticker: "Club Boat". If you do not have your own paddle, several paddles are stored on the racks. You must bring your own Life Jacket (and please wear it properly). Do not go out alone--and be mindful of the River's strong tides when planning your paddle. After your paddle, please wash off the kayak with the hose and replace it where you found it.

For those wishing to bring their personal kayaks to keep on the racks at the waterfront, there is a waiting list in the ProShop. We will contact you when a spot opens up. The annual fee for storage is \$100. The Board of Directors has approved funding for a nine-pack opti trailer that will go far to expand our small craft storage capacity. If you have any questions about kayak use or storage or would like to join a group of CRYCC kayak enthusiasts to paddle together, please email Shelby Strudwick, Vice Commodore, at [shelbystrudwick@gmail.com](mailto:shelbystrudwick@gmail.com).

The next Yachting Committee meeting is at 1730 (three bells), Tuesday, 13 September. Anyone interested in waterfront fun—sail, power, or row—are welcome to meet and be heard. Not getting our email notices? Send me your email address.

Splice the Mainbrace,

- James Moseman, Commodore

## FROM THE PRO - DAN PHILIPPON, PGA

As I write this column, we have enjoyed 10 days of much cooler temperatures. This has been great for the obvious reasons, but mostly because we've seen a lot more of you! As you know, July and August were quite steamy, but it hasn't affected rounds played by much. Compared to the end of July 2021, we're only slightly behind in total rounds played. I think this is a great sign of bigger things to come as we head into the "cooler" part of the season. Keep coming out to play and register for our remaining tournaments! Let's keep it going!

We had another solid season of Junior Golf this summer, where 80 kids learned about the golf swing, short game, caring for the golf course, and using proper etiquette. If the golf world wants to solve the problem of not fixing ball marks and divots, give juniors the right tools and they'll do it...they love to fix them! I will be reaching out to you later in the season to see how we can make the program better and what we can do to attract more kids. Developing junior golfers is not only vital for growing the game of golf, but vital for the long-term health of the Club!

Regarding course care, let's all remember that maintaining top course conditions requires all of us to: fix ball marks on greens, fix divots by replacing the divot or filling it with sand, rake bunkers smooth, and follow the golf cart rules of where they should and should not be driven. Remember, this is your golf course so, please, let's take care of it.

In the golf shop I have new apparel coming in for the fall season so come by to check it out. I also have several CRYCC logo items like Tervis Tumblers, bar ware, embroidered belts, caps & visors, just to name a few. My goal is to carry items in the shop that you want, so don't hesitate to let me know because I have accounts with many vendors. If there is something you want that I don't have, let me know. I'm happy to place a special order!

## SUPERINTENDENT'S REPORT

By now I imagine that most of you have seen me running around the golf course. It was certainly an interesting first month on the job. Hopefully, I didn't bring the repressive heat and humidity with me that covered this area for more than a month.

The course seemed to take a beating during these times, especially the fairways. With cooler weather moving in, the course is beginning to respond and recover.

During the summer months of June, July and August, I am sure you have noticed small holes in the greens. This is called venting. Venting is the process of aerification that minimally disrupts the putting surface by using .2" solid needle tines to poke tiny holes. After the venting process the green is rolled. The goal is to vent every 2-3 weeks during the hot months.

**CRYCC LIGHTNING POLICY**

**WHEN LIGHTNING STRIKES WITHIN 10 MILES, ALL GOLFERS MUST CLEAR THE COURSE AND RETURN TO THE CLUBHOUSE.**

**PLAY CANNOT RESUME UNTIL 30 MINUTES AFTER THE LAST LIGHTNING STRIKE WITHIN 10 MILES.**

Men's Club Championship Sunday, August 7, 2022		
<p><b>Championship Flight</b></p>  <p><b>Club Champion</b> David Connolly</p> <p><b>Runner-up</b> Nathan Smith</p>	<p><b>Second Flight</b></p>  <p><b>Winner</b> Ford Schumann</p> <p><b>Runner-up</b> Kyle Lindstrom</p>	<p><b>Fourth Flight</b></p>  <p><b>Winner</b> Ron Jordan</p> <p><b>Runner-up</b> Chris Golder</p>
<p><b>First Flight</b></p>  <p><b>Winner</b> Bob Grace</p> <p><b>Runner-up</b> Evan Crum</p>	<p><b>Third Flight</b></p>  <p><b>Winner</b> Justin Varga</p> <p><b>Runner-up</b> Bruce Anthony</p>	<p><b>Fifth Flight</b></p> <p><b>Winner</b> Andy Dillon</p> <p><b>Runner-up</b> Kurt McKinney</p>

Why we vent:

- Gas exchange is the major goal of venting. Oxygen enters the rootzone and exchanges with carbon dioxide that has built up. This process dramatically cools off the rootzone.
- Oxygen entering the soil profile helps dry and maintain a firmer putting surface. Water can penetrate the canopy and help evenly distribute moisture.
- Assists in root development. The healthier and longer the roots, the healthier the grass plant!

As the season moves on, similar processes will ramp up in a larger scale, that will over time help all our playing surfaces to become healthier and firmer.

David Beik, Superintendent

## POOL NEWS

With September upon us, the summer season is unfortunately coming to a close. It has been a joy and pleasure to spend the last three months soaking up sunshine and splashing around at the pool with you all!

I, as well as the lifeguard staff and pool committee, hope you were able to find some much needed rest, relaxation, and enjoyment with family and friends. We want to thank you for participation in our various activities such as private swim lessons, aerobic classes, family fun nights and holiday celebrations. We greatly enjoyed coming together as a community in those moments and being able to interact with children, grandchildren, and adults!

To conclude our season and to begin to prepare for next summer, I ask that you complete the end of the year pool survey to comment on your experiences this summer. Feedback relating to lifeguard performance, pool policies, procedures, and practices, specific areas of strength and growth, suggestions for pool activities, etc. would be greatly appreciated. Surveys are available at the pool and inside the club. Thank you again and have a great year! We look forward to seeing you all again next summer!

## 18 HOLE LADIES

*A recent survey shows that of all jobs, caddies live the longest. They get plenty of fresh air and exercise, and if there's ever a medical emergency, a doctor is always nearby.*

The big event of the past month is, of course, the two-day stroke play Ladies' Club Championship which is open to all lady full members. The new champion is **Marybeth Daucher** who shot 87 on the first round and 80 on the second. An impressive round, Marybeth!

The winner of the first flight was **Karen Smith** who shot 85 and 87. Runner-up was **Erin Gillespie** who scored 90 and 85. The second flight was won by **Maura Ryan** and the runner-up was **Debbie Williams**. **Genie Wootton** took first in the third flight followed by **Sheila Austrian**, the runner-up.

The Chester River Tournament, played over several weeks of individual match play with handicaps, was especially fun and interesting this year. In one match, sisters **Genie Wootton** and **Debbie Williams** competed against each other. And the finals match ended up going an extra hole; the dreaded first hole. **Joan Crowley** narrowly defeated **Genie Wootton** who was runner-up for the tournament.

On July 28<sup>th</sup> the game of the day was individual Stableford. New member **Chrissy Helfenbein** beat the field. Congratulations, Chrissy.

On August 4<sup>th</sup> we played the popular Mystery Game where the team member whose score counts on a hole is revealed only when the team gets a peek at the player number attached to the pin. Winners were the team of **Amy Ennis, Leah Northup and Karen Smith**.

The second annual Wine, Cheese & Putts was held in the late afternoon of August 3<sup>rd</sup>. The putting green was transformed into a crab and oyster-themed putt putt course. Twenty-two participants were divided into two teams—crabs or oysters. The holes were designed by various members of the 18 Hole Ladies, and it was clear there is quite a bit of artistic talent among our group. While the games were close, the oysters prevailed this year. What a fun evening!

*Martha Rasin, Publicity Chair  
martharasin@hotmail.com*

**2022 Pink Polar Bear!** 76 players came out on Sunday, July 24<sup>th</sup> for the Pink Polar Bear Tournament to support the Edith and Ethel Leh Women's Center in Chestertown.

## 9 HOLE LADIES

The game on July 20<sup>th</sup> was 3 Clubs and a Putter. Winners were **Paddy Tobey** for flight A, while **Karen Price** and **Peg Wynn** tied in flight B, and **Sue Edson** had the best score in flight C. **Donna Moloney** and **Fletcher Johnson** tied for low putts.

*Ladies 9 Hole Golfers*

July 27<sup>th</sup> we played the team game of 1,2,3 Best Ball. Congratulations to the winning team of **Sandy Bjork**, **Donna Moloney**, and **Joan Buffone**. There was a 3-way tie for low putts between **Anne Hart**, **Cheryl Jacobs** and **Peg Wynn**. **Sharon Somers** and **Peg Wynn** each had a chip-in and got to split the pot of quarters.

Lots and lots of congratulations to **Barbara Noll** for winning this year's Chester River Cup, which was held on August 3<sup>rd</sup> on the front nine. **Karen Price** placed second, and **Paddy Tobey** placed third. **Anne Hart** had low putts.

Twenty of us braved another very hot day to play the back nine August 10<sup>th</sup>. For flight A, **Caryn Saunders** posted the lowest gross score, while **Shirley Gayner** had lowest score for flight B, and **Becky Spilich** for flight C. **Paddy Tobey** and **Peg Wynn** tied for lowest putts.

On August 17<sup>th</sup> we played a version of the Ryder Cup on the front nine, White shirts against Blue shirts. Six foursomes went out, each with two players from the white shirt team, and two players from the blue shirt team. In an alternate shot format one point was awarded to a team for each hole that was won. The White shirt team prevailed 2-1, while three foursomes came in with a tie. This super fun team competition was enjoyed by all! **Karen O'Connor** and **Karen Speakman** each had a chip in on number five. They went home more than \$7 richer! Woohoo!

In other events, our own **Donna Moloney** was on the first place gross team in the Pink Polar Bear Tournament!

It's never too late to join our group! Dues are \$20 for the season. Contact **Paddy Tobey** or **Anne Hart** for more information.

- *Becky Spilich*

## MISGA

A reminder as to the signup process: The Pro Shop will no longer attempt to add any other players who didn't sign up. It creates a problem for the hosting club when it comes to having a correct head count so that meals/food can be ordered. That said, I will try and send out an email reminder that the sign-up sheet will be taken down on a given date so that people can sign-up. If anybody has any questions about this or MISGA in general, please feel free to email Barry or call him at 240-398-8635.

If a player decides to cancel AFTER the signup sheet has been removed, they must notify both our proshop & the hosting club.

Our schedule for the month of September:
