PRESIDENT'S MESSAGE

Dear fellow members,

On November 15th, we held our 93rd Stockholders meeting of the Chester River Yacht and Country Club. While it was a dreary night, a number of members braved the elements to attend and vote, sufficient for a quorum. Our meeting is held annually to review the state of the Club, elect new board members, and vote on our annual budget submissions.

Elected to the board and returning for a second term were: Creg Fleetwood, Bill Cooper and David White. Returning to the board for a first term after filling a one year vacancy, Beth Andrews. Please congratulate these returning members of the Board who give their time and talent to support our Club. We are lucky to have a dedicated group of leaders.

Jim Landskroener reviewed the financial health of the Club, and reported we are in excellent financial condition. We have completed a number of significant projects in all areas of the Club over the last few years, including an upgrade to the driving range, a new dining patio and hardscape, additional parking, and refurbished boat ramp. There have been a number of smaller projects completed which are enhancing the Club's amenities. All these improvements have occurred without additional borrowing, while we also contributed to our reserve fund. Thanks to all who mentor our finances.

Our Operating and Capital budgets for 2023 have also been approved by the membership:

- Operating Budget: For - 626 Against - 20
- Capital Budget: For - 620 Against - 26

Besides our many necessary capital projects to keep our club going, we will complete the last phase of our Patio Project this winter in time for spring usage. This effort will improve the entrance from the parking lot to the trees at the golf shop. The work will involve removing blacktop, regrading and improving drainage, taking all water to storm drains, and reshaping using pavers as has been done in front of the Golf Shop. This last phase will complete our patio hardscape, provide superior water management and create an open air seating area.

We are working diligently to use our resources wisely and improve our facility for all to enjoy. Don't hesitate to pass along ideas to our committees or directly to the board as we continue to chart our future.

Happy Holidays!

TREASURER'S REPORT

Our most recent monthly financial review brought on very good news: due to strong membership support of the golf course and Clubhouse in October, our revenues continued to outpace expenses, and we look to finish the year in a very positive position.

As I reported earlier in the year, fuel prices, supply shortages, and the attendant effect on commodities across the board caused us to reevaluate the budget passed at this time last year. Our review with all departments at that time resulted in forecast expenses to be well over \$100,000, more than could have been anticipated in the fall of 2021. With determined support from all departments, we were able to weather this storm and keep the Club in solid financial condition. Kudos to the House managers for doing their best to keep our costs within reach while still maintaining their excellent level of service. And again, thanks should go out to our membership for their enthusiastic support of our Club throughout the year.

By way of a reminder, the latest financials are always available on the website.

NOVEMBER BOARD MEETING NOTES

The Annual Stockholders meeting was held on Tuesday, November 15, 2022. Newly elected Board members (2023 - 2025) are Beth Andrews, Bill Cooper, Creg Fleetwood and David White. Both the Operating Budget and the Capital Budget were approved by the stockholders.

*The Chester River Yacht Club and Country Club News is published by the Chester River Yacht & Country Club Business Office. We welcome submissions but reserve the right to edit them for space. **The deadline for the January newsletter is December 22, 2022.** Please send submissions to collyer@crycc.org.*

FROM THE MANAGER

How did it get to be December already? I haven't even finished my Thanksgiving leftovers!

December is a busy month at the Club. We have many holiday parties booked. I hope you will enjoy the decorations and, my favorite, the big tree in the Ballroom.

The highlight of the month is always the Member Party on December 10th (see below). New members of 2022 are asked to arrive at 5pm to meet our Board and Committee members. At 6pm, members arrive. There is an array of delicious foods and cash bar. Our kitchen and bar will close at 3pm that day so that we may prepare for your holiday party.

December 24th, Christmas Eve, we will be open from 11 am until 3 pm, no dinner will be served. We are also closed Christmas Day. (What will Santa bring me this year?) December 31st, New Year's Eve, we will be open from 11am until 3pm for lunch. Our New Year's Eve Party begins at 6pm.

The Club will be closed from January 1st until January 16th. We will re-open on Tuesday, January 17th at 11am. During this time, cleaning, carpet shampooing, and repairs are done, and then our staff can enjoy their vacation. The Business Office and Golf Shop will be open during this time on their regular operating hours. Saturday, January 28, 2023 will be our next Oyster Dinner. Mark your calendars.

From our family to your family, a very Merry Christmas and a hope-filled New Year. Pray for peace and for our troops who keep us safe. See you at the Club because "your friends are already here".

COMMODORE'S CORNER

Happy Holidays! On behalf of the Yachting Committee, I wish to thank all our 2022 volunteers. Our Club's' sailing instruction, boat maintenance, dock, and waterfront upkeep all depend on individuals sharing their time and talent to improve club members' experience and to build memories of shared experience afloat. As you walk the river's edge, you will note the improvements in material condition and general order of the waterfront, thanks to our volunteers' efforts.

The Yachting Committee on 8 November agreed to the following slate of officers for 2023:

Commodore	- Jim Moseman
Vice Commodore	- Shelby Strudwick
Rear Commodore	- Jeff Rodman
Fleet Captain	- Hanson Robbins
Race Committee Chair	- Don Savage
Professional Race Officer	- Joe Halsted
Dock Master	- Greg Siefert

Please note: Greg Siefert has relieved Dick Swanson as Dock Master. Dick Swanson will act as Project Manager for the replacement of the center dock with a floating dock of greater capacity.

Children's Stories & Games with Trish Chambers

Wednesday, December 21st, 6-7 pm

Come in your pajamas. Bring your parents and grandparents. Trish will be here to tell holiday stories, sing holiday songs, and play holiday games. All activities are participation activities (if the child would like to participate or just watch, it's OK).

Fun for All! Refreshments provided.

FROM THE PRO - DAN PHILIPPON, PGA

As we head toward the end of the year, my staff and I want to thank you for another great year of golf at CRYCC! Your strong support of the golf program showed loudly with rounds approaching 18,000 again, tournament participation up 20%, a sold-out clinic schedule, a growing junior golf program, and the instruction program was strong again this year. You also showed your support to the Golf Shop and to my staff. It was a great year, but there's still room to grow. Please reach out to me if you have any suggestions on improving our program and make sure to look out for the tournament schedule which will be released soon so you can mark your calendars.

Without help the golf program would not be as successful, so I would like to extend my thanks to the Golf and Greens Committees, Jerren Wetterau & Mike Quattrucci and their staff, David Beik and his staff,

Indoor Golf Studio

The Indoor Golf Studio will open soon you can keep swinging! Why don't golfers improve or their game tails off? It's because for months they stop swinging when it's cold outside. For this reason, I created the Studio, located in the ballroom. In the studio you can keep up your swing and learn how YOU should swing the club with the help of our technology - **FlightScope Launch Monitor**, **Video**, and the **BodiTrak Pressure Mat**.

Flight Scope delivers ball and club head data instantly while also showing ball flight via a stream on the impact screen. Below are just a few of the Ball and Club data points the unit shows:

Ball Data

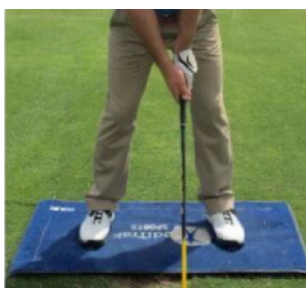

Speed, Launch Angle, Spin Rates, Height, Distance

Club Head Data

Speed, Attack Angle, Swing Path, Face Position, Loft at Impact

Bodi-Trak records your pressure against the ground as you swing. Knowing how to correctly use your pressure to the ground is the foundation of creating a balanced and powerful golf swing!

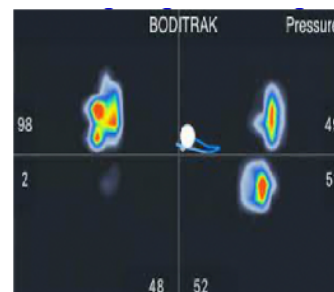

If you think any of this is complicated, trust me it's not. The combination of using **Video**, **FlightScope**, and **BodiTrak** speeds up the process of correcting swing flaws. Let's keep your season going by meeting me in the Golf Studio! Contact me at dphilippon@crycc.org or call the Golf Shop at 401-778-3818 x3.

2023 RULES OF GOLF: 5 KEY CHANGES

The R&A and the USGA have released the most recent edition of the Rules of Golf, effective January 2023.

HERE ARE 5 KEY CHANGES

New Rule — Modifications for Players with Disabilities

These modifications are now part of the Rules and are in effect for all competitions and all players who fall under the categories covered in new Rule 25.

Replacing Damaged Clubs

If your club is damaged during a round (except in cases of abuse) you may replace it, repair it or continue to use it.

Handicap on Scorecard (Stroke Play Only)

You are not required to put your handicap on your scorecard and there is no penalty if you return your scorecard in a competition with an incorrect handicap, as this is now the Committee's responsibility.

This change is consistent with other penalty reductions, such as reducing the penalty for playing an incorrectly substituted ball from the general penalty to one stroke.

Ball Moved by Natural Forces

When your ball is at rest after taking relief and then rolls into another area of the course due to natural causes, there is no penalty, and you must replace it.

Simplified Back-on-the-Line Relief

When using this relief option, you are required to drop your ball on the line, and it may roll up to one club-length in any direction.

For more information on the Rules of Golf, please visit usga.org or randa.org.

SUPERINTENDENT'S REPORT

As most of you know, I accepted the position of Greens Superintendent in the middle of June and moved my small family across the country to the Eastern Shore. I didn't know what to expect, but the warmth and hospitality I have felt from every member has been overwhelming. I see it as an honor to be the Superintendent at CRYCC.

Here are a few things implemented during the 2022 golf season: As for the golf course, I set some immediate goals to help improve the playing conditions by firming up all surfaces. We implemented an aggressive aeration program for the greens and tees, and I can say we are already seeing a firmer better playing golf course. The fairways from what I have come to understand have always had drainage issues and come under stress during the summer months. We decided to attack the issue in year one and began a fairway sand topdressing program that will allow our fairways to be firmer and drain excessive water away from the canopy. The goal is to help the fairways survive and eventually excel during the stresses of summer.

I inherited an operating budget and we made sure we stayed on point throughout the season.

Starting now and into next spring we will be starting and completing course improvement projects. Some items on the agenda include removing dead trees, bunker renovation, new tee construction, and improving needed tee tops.

I am looking forward to the future at CRYCC.

David Beik
Superintendent CRYCC

18 HOLE LADIES

Golf is the only sport where the most feared opponent is you.

Brrrr. Our 2022 season is behind us just in time for the weather to turn cold. It was a great year filled with energy, good play, and fun.

On October 6, we started the Oktober Klassisch Tournament, two 18 hole rounds of net stroke play. Each player saves the scorecard from the first round and after the second round, she selects the better score on each hole and totals the score. She then deducts her handicap from the total score for her low net score.

Unfortunately, we were rained out on October 13th. The following Thursday, October 20th, our last scheduled day to play, we were able to finish the tournament.

Following the tournament on October 20th, we met for our fall meeting and awards luncheon. The slate of officers was presented and approved – **Leah Northrup** elected Chairperson, **Genie Wootton** elected Vice Chairperson, **Gail Sezna** elected Secretary and **Amy Ennis** elected Treasurer. The Most Improved Golfer awarded to **Erin Gillespie**. Ringer Board won by **Karen Biggs** with **Anne Hart** coming in with a very close second. The Oktober Klassisch was won by a match of cards between **Maura Ryan** and **Gail Sezna** and Maura was victorious!

Apologies to **Karen Smith** for omitting her winning a Silver Medal at the Delaware Senior Olympics!

Best wishes for a good winter with some warm days when we can get out for a round. And for those who go to warmer climes, have at it! See you all in the spring!

Martha Rasin, Publicity Chair

(with the help of our new Chairperson, Leah Northrup)

A banner for the CRYCC Chess Club. On the left, a white king chess piece is centered on a black square background. To the right, the text "CRYCC Chess Club" is written in large, bold, yellow font. Below that, "FIRST & THIRD WEDNESDAYS" and "6-8 PM" are written in a smaller, bold, yellow font.

A festive banner for an "UGLY CHRISTMAS SWEATER PARTY!". The background is red with a repeating pattern of white snowflakes and green Christmas trees. A dark green horizontal bar at the top contains the text "UGLY CHRISTMAS SWEATER PARTY!" in white, bold, sans-serif font. Below this, another dark green box contains the text "CRY & CC BAR" in white, bold, sans-serif font, followed by "FRIDAY, DECEMBER 16TH, 5-6 PM" in the same style. Underneath, three lines of text in a smaller white font read: "Wear your ugliest Christmas sweater.", "Add ugly pants, socks, and hat if you wish.", and "See you there! Bring a friend! Have some fun!"

9 HOLE LADIES

On a cold October 19th, we had 6 groups go out for a scramble. Congratulations to the winning team of **Karen Speakman, Karen O'Connor, Sandy Bjork, and Wendy Wander.**

The following week on October 26th, we closed out the season with our end-of year luncheon. Golf prior to the lunch was rained out. **Barbara Noll** was awarded the prize for winning the Chester River Cup, and prizes and congratulations were given out to the winners of the Nine Hole Championship: **Cindy Thorp**, the overall winner, and the winners for each flight: **Ruth Stolp**, flight A, **Alix Rodman**, flight B, and **Donna Moloney**, flight C. **Cindy Thorp** won Most Improved. **Alix Rodman** and **Elizabeth Tully** tied for the most improved on the Ringer Board.

Anne Hart and **Paddy Tobey** turned over the reins to **Donna Moloney** and **Alix Rodman**, who will be our co-chairpersons next year.

There are so many people to thank for the 2022 golf year! Many, many thanks to Anne and Paddy, who did such a great job keeping us on track for a third year in a row, with timely reminders for each weekly event and an update email with the results the next day. Thanks also to our Golf Pro Dan Philippon, for the great clinics and help with our game, and assistant Chris Morgan, who helped us navigate the GHIN system among other things.

Thanks to the Invitational committee for our Garden Tea Partee Invitational, **Linda Applegate, Stephanie Murphy, Cheryl Jacobs, and Anne Kellstrom**, and the many others who volunteered to help with this event, also Jerren and Chef Mike for the delicious lunch afterwards.

Thanks additionally to all of our members who volunteered to serve on the executive committee, and/or to be starters each month.

We were so happy to welcome 14 new members to our group this year!

MISGA

Congratulations to our 2022 Player of the Year, Craig Wynn. He is the recipient of a signed Craig Austin golf ball as well as his name carved on the plaque. Earning this award is the result of playing in as many mixers as possible. We know “getting in the money” is dependent on the game you bring to the course as well as your playing partners. So, it’s similar to the lottery: the more you play, the better your chances.

Our leadership will be planning next year’s schedule. I have noted that we seem to have limited participation to mixers beyond one’s cycling distance. Is it the travel distance, or the course being offered? Contact our leadership with any suggestions for destinations.

Speaking of leadership, we are in a quandary as to next year. We do not have an official treasurer, thus I do not have a treasurers report. Barry stepped up to be our club rep, however he has more time constraints these days. MISGA has dropped from 4760 members with 68 clubs in 2000, to 1729 members from 36 clubs. Will it be 35 clubs next year? We will only succeed if a few good men step up.

Feel free to contact me with any questions or concerns. Larry.Ortmann@gmail.com

-Larry Ortmann

Enjoy the Holidays and New Year!

Mad Elf beer will be on tap for the holidays.

Mad Elf is brewed at Troegs Brewery in Hershey, Pa.

It is 11% ABV and only available mid-October through December.

Blame the elf for this cheerful ruby red creation reminiscent of ripened cherries, raw honey and cocoa, with notes of cinnamon, clove, and allspice.

MEMBERSHIP COMMITTEE

We would like to remind all of our new members of the special early invite to our Holiday party. This is a one time perk extended in your 1st year of membership. Benefits include access to parking spots, short line at the bar, 1st access to the splendid buffet menu, and a chance to mingle with your Board.

The initiation fee is rising to \$3500 on Jan. 1st 2023. There are a few slots open, so if you have any friends considering membership, now would be the time to apply. We will honor the current fee of \$2500 for anyone put on the wait list by December 31, 2022.

All members are encouraged to add a photo on the club website. Take a current picture. Log on to the club website, go to the roster and find your name. Click the "add photo" and upload from your picture folder (e.g. Google Photos, iCloud Photos) the photo you would like to use.
