## **PRESIDENT'S MESSAGE**

CRYCC is celebrating the start of our boating season with our Flag Raising ceremony on May 12th at 5pm at the flag pole on the front lawn. This is an annual event where all members are welcome. This year, we have the good fortune of having a group of Chester River Chorale singers to join us to sing various anthems in addition to the usual pomp and ceremony provided by our own members.

From time to time, the positioning of our flag(s) has come up for discussion. We have all learned in civics classes, scouting troops, and our military service that the U.S. flag should be properly positioned above all other flags on an individual flag pole. While this is appropriate and proper on a single pole, our flag pole contains a yardarm and gaff, which are typical of flag poles used at Yacht Clubs and other governmental sites where there are navigable waters. You will see these more complex poles at the Naval Academy in Annapolis, for example, and at most yacht clubs nationwide.

Our Club has a rich history dating from 1929 when it was founded as the Chester River Yacht and Country Club. Our flag pole was placed in a prominent position at the front of the Club for all visitors and members to see. The specific orientation of our pole was given significant thought and complies with proper flag etiquette. On a flag pole with a gaff, (the pole extending toward the clubhouse at a 45 degree angle), the position of "highest honor," above all others is the uppermost position on the gaff, separated from all other flags on the common pole. The installation of our pole is positioned so the flag pole represents a ship heading to the sea, with the gaff pointing rearward toward the building. This most honored position is stipulated in governmental guidance for displaying the flag. This pole configuration has been a part of American history since the founding of our Navy.

Sometimes, confusion arises because it appears the club burgee is flying higher than the Stars and Stripes. While the burgee does possess higher elevation on the multi-flag vertical pole, it does not hold the position of highest honor. The highest honor position remains the gaff pole.

If you are interested in more detail concerning the proper display of our flag, copy the following site into your browser for a more complete history.

Just as a reminder, Flag Day in the United States is on June 14th.

Cheers!

**TREASURER'S REPORT**

Our financial status at the end of March was very solid. Our year-to-date position continues to show positive figures in terms of income over expenses, and the golf course and house activity continue to ramp up.

The finance committee has completed its budget forecast taking into account the inflationary pressures that could not be foreseen when the budget that was set in October and passed at the November shareholders meeting. The result of this review shows mixed signals. We anticipate greater income potential through a very strong membership number. The regular capital renewal portion of the membership billing and a good forecast regarding initiation fees should be in line to fund our projected capital projects.

On the downside, food costs are up and fuel related costs are almost double what was anticipated six months ago, and that affects everything from greens and grounds maintenance to chemicals and everything that has to come into the Club via a truck. Our forecast suggests that we can end this year on another positive financial footing as long as the finance committee keeps a clear eye on expenses.

By way of a reminder, the latest financials are always available on the website.

Respectfully submitted,  
*Jim Landskroener, Treasurer*

**APRIL BOARD MEETING NOTES**

The Board approved a motion to allow a Social membership to upgrade to a Full membership (and pay the Full membership fee) for a three month trial period (June, July and August). If a Social membership participated in this option last year, they may not participate again this year. The Board approved the motion unanimously.

Respectfully submitted,

*Tracey Landon, Secretary*

## FROM THE MANAGER

It was great to see the families back at the Club for Easter. Everyone had on their best Easter outfit and the Egg Hunt was a lot of fun. The children found 300 eggs and some of the baskets were very full!

May is here, and the fun begins, mostly outdoors. One can only hope that the pool warms up quickly before it opens on May 28th. I know the children have been counting the days! Maggie, our wonderful pool director, will be back to do another fabulous summer job at the pool, only this year, she now has two little boys under tow.

The Dock Bar will be open this season on Wednesday, Thursday, Friday, and Saturday evenings, from 5pm until 8pm. Check the calendar elsewhere in this newsletter for entertainment.

Chef Mike has been very busy in the kitchen. He has been a great addition to our staff and a big help to me. We are looking forward to more great things to come.

Check out our May events. There is something for everyone at the Club.

Pray for our troops who keep us safe. See you at the Club because "your friends are already here".

- Jerren Wetterau, Clubhouse Manager

# Neil Brayton Skill Shot Challenge

On April 14th, CRYCC hosted the Neil Brayton Skill Shot Challenge to benefit ALS Research. Thank you to all for attending and showing your support and helping raise \$13,000!

## COMMODORE'S CORNER

Sailing Season is here! All club members are welcome to attend the Flag Raising and Blessing of the Fleet at 1700 (two bells) on Thursday, May 12th. River Voices, directed by Stephanie LaMotte, will join us to add some nautical musical notes to the occasion. The Flag Raising will take the place of our May Yachting Committee meeting. The next meeting will be at 1730 (three bells), on Tuesday, June 14th.

Mark your calendar: The first sailing "practice" is Saturday morning, May 7th. The complete schedule of CRYCC waterfront activities is posted on the club website in the Yachting Information area.

Canoes, kayaks and paddleboards are available to borrow for all club members. The craft you see stored at the waterfront are there for you. We have only a few paddles, and I prefer to bring my own, just as I also wear my own life jacket (required). Owners not wishing to volunteer their equipment for all members' use may simply padlock their boat. If it's not locked, feel free to use the craft, and be so kind as to clean and replace the kayak/canoe/paddleboard when you finish.

Do you wish to learn to sail? Simply contact me or any member of our Bridge, to arrange for group or individual lessons or refresher sessions.

Not getting our email notices? Send me your email address.

Fair Winds,

- James Moseman, Commodore

## FROM THE PRO - DAN PHILIPPON,

Although the weather hasn't been the warmest this spring, rounds are up over the last four years through the 3rd week of April. This is a great start to surpassing the record number of rounds we did in 2021! That said, we are entering the tournament season, and I'm expecting big turnouts for all of our events this year. We have a diverse schedule of low-pressure to more competitive events that will appeal to all levels of play. Look below at those coming up soon! To see the full tournament schedule, go to [www.CRYCC.org](http://www.CRYCC.org), click on "Club Info" then "Golf Events". If you need help registering, call the Golf Shop at 410-778-3818 x3.

As always, to keep our golf course in top condition, please remember to replace or repair your divots, fix your ball marks on greens, rake bunkers, and follow the golf cart rules posted daily in the Golf Shop.

Now that the golf season has officially started, please observe the following play policy:

### Weekends and Holidays "In-Season" Play Policy

- **Singles and Twosomes may play between 7:00 am and 8:00 am and any time after 11am.**
- **Threesomes and Foursomes may play at any time.**
- **On weekends and holidays there is no play on the Inside Nine before 3:00 pm**

Let's all have a great 2022 golf season! If there is anything the Golf Staff can do to make your golf experience at the Club better, please don't hesitate to let us know.

## FROM THE SUPERINTENDENT

April has been a very normal month considering the weather. It has been cold and rainy followed by a few days in the 70s. The golf course is really greening up and coming along. Greens have been aerified and topdressed and should be in mid-season form shortly. All of our sodded areas are looking good and should be in play within the next week or two. We have been edging bunkers, pulling all of the over winter weeds, and trimming all of the sprinkler heads on the course. Once these tasks are completed, we will be focusing on fairway divots and settling into a mowing routine.

It is great to see everyone out on the course, but please remember to fix your ball marks and to fill your divots!

Thank you,

- Matt Krukiel, Golf Course Superintendent

## 18 HOLE LADIES

*\*\*Reader Spelling Challenge\*\**: To spark things up a little, let me know if you find the misspelled words in this article. They won't be proper names or punctuation errors, but if you get the misspellings, you'll find yourself a winner in next month's newsletter. Anyone can play. Send your guesses to me at the email below.

We hope you are enjoying spring golf as much as we are after a somewhat rocky start last month.

Chair Debbie Williams has a great polickey for us when the weather is terrible. We don't play our game of the day, but anyone who wants to endure the conditions can join up with like-minded others and have at it in the cold, wind, rein and wet fairways. A bonding experience, I hear!

So far, we have been able to play our regular weekly games on March 31st and April 14th.

On March 31 we completed in teams for the lowest number of putts. Karen Smith, Sabina Baker and Nancy Connor took first place. On April 14th we played Best Ball of 3. Two teams, Polly Barndollar, Marybeth Daucher, and Carol Droge tied with Sheila Austrian, Sabina Baker and Joan Crowley. A draw of cards gave the win to Sheila, Sabina and Joan.

Special thanks this week to the tireless efforts of Chris Morgan in the golf shop for working hard to get us the ability to sign up on the Golf Genius program for weekly play. It has been a bit bumpy, but his efforts and the cooperation of the players have us moving forward!

## MISGA

We have completed our 1st away mixer with 15 attending Hog Neck. Next month features three Home and four Away events. Navy, which has limited us to 15 players, tends to fill up early. The latest schedule was issued on March 30th.

Our order for shirts is expected to close May 1st. You may still be able to order, but additional shipping and handling costs may be charged (no Amazon Prime). Our shirt order will leave our kitty with about \$1000. Our MISGA entry fee of \$50 is probably the lowest of all mixers being held this year. Anti-social participants can save \$20 by walking.

And from our Chief: Please watch your MISGA emails for schedule updates and sign-up sheet posting. Currently our HOME match on Tuesday, May 3rd is posted and our Ladies Mixer on Wednesday, May 11th sign-up sheet will include a menu choice of either: 1. Yacht Club Salad with chicken OR 2. Salmon BLT with potato salad.

The Handicap Committee has announced a review of away scores being posted. Please note that our MISGA mixers are Tournament scores.

A final note: I recently learned that our JONAS system allows every member to upload a personal photo to their profile. The club will be promoting this feature. Those in witness protection may wish to abstain. Feel free to contact me with any questions or concerns. [Larry.Ortmann@gmail.com](mailto:Larry.Ortmann@gmail.com)
